2010 SUMMER Art Classes & Camps

SCHEDULE OF CLASSES

SCHOLARSHIPS AVAILABLE! Walter Hook Art Scholarships now available for Bonner students.

In 2006, Friends of Two Rivers, a local Bonner area citizens' organization, first suggested the idea of Hooked on Art to honor the legacy of Walter Hook who grew up in Milltown and graduated from Bonner School. Bonner School and the Missoula Art Museum enthusiastically embraced the idea. The Saturday before Valentine's Day was chosen as the traditional Hooked on Art festival day.

In honor of this year's 5th Annual Hooked on Art, in addition to the traditional art offerings, Friends of Two Rivers received generous donations to provide Walter Hook Art Scholarships for students

selected by Bonner School to study at MAM's summer and after school art programs. Thanks to the following organizations and individuals for their support: Irestone Web Design, Lean Healthcare West, Matson's Lab, River City Grill, Dr. Terry and Mary Zahn, Warren Hampton, Oz Architects, Friends of Two Rivers, and Bonner School.

Interested Bonner students and parents should contact Erin Roberts, art teacher at Bonner school, 258-6151. For students outside the Bonner area, there are scholarships available for you too! Inquire with Renée Taaffe, MAM Education Curator by calling 728-0447 ext.228.
